music helping humanity

Hello Lost & Foundation Friends!

We are once again using this newsletter – and future newsletters – as a means of keeping in touch with all of you. We want to let you know what's going on with Lost & Foundation, and what's coming up. We hope we can continue to call on you to help as we continue with our mission: **music helping humanity.**

Play It Forward Benefit

Our last benefit event was April 7, 2013, to Play It Forward. Thanks to you, we raised over \$6,400 to recharge our piggy bank for small grants. Over the last 10 years, the total amount of these grants has come to more than \$28,600.

It was great to see our community come together to help others. And, of course, it wouldn't have happened without people like you!

The event took place at Helena Colonial Hotel Red Lion. Thanks to the Colonial for its generosity. And thanks to all the volunteer musicians and technicians!

Mark your calendars for our next event – October 13!

Since birth, Koltin Tanniehill has been battling seven heart defects. He has had multiple heart operations, including two open heart surgeries. He is now 16.

Last month, another surgery in Salt Lake City revealed two new problems requiring further treatment and possible surgery.

Luckily, the Tanniehill family has insurance. However, they face deductibles, out-of-pocket costs, and travel. The rising expenses greatly impact the family finances.

The Lost & Foundation Benefit Concert for Koltin Tanniehill will take place at the Helena Colonial Hotel Red Lion on Sunday, October 13. We'll stage several musical acts, a silent auction, 50-50 drawings, and other great activities

Contact Elizabeth Tobin at 431-3521 to volunteer.
