music helping humanity *for 25 years!*

Hello Lost & Foundation Friends!

We are once again using this newsletter – and future newsletters – as a means of keeping in touch with all of you. We want to let you know what’s going on with Lost & Foundation, and what’s coming up. We hope we can continue to call on you to help as we continue with our mission: music helping humanity.

DUB AID!

Fellow musician Dustin “Dub” Campbell, 38, died on October 1st of cancer. Prior to his passing, his friend and Helena musician Max Hay organized “Dub Aid,” a way to help cover medical expenses.

Although Dub has unfortunately passed away, his family can still use your help, thanks to Max’s efforts.

DUB AID comprises a collection of original songs by Montana artists. If you go to [Max’s website](#) and purchase the collection for \$15 (or more), all the proceeds will go to Dub’s family.

Lost & Foundation is pleased to be the conduit for Dub Aid, passing the funds from you to his family.

CORONAVIRUS PANDEMIC RELIEF!

Are you or someone you know facing financial difficulty because of the coronavirus pandemic? We may be able to help.

The Lost & Foundation is accepting applications for small grants (up to \$1,000) for relief from pandemic problems.

Do you have outstanding medical bills that are straining your finances. Perhaps you have lost your job or had hours drastically cut, and this has had an impact on your ability to pay rent, get car repairs, or pay for childcare.

To apply, go to our [website](#) and click the APPLY FOR HELP button. Complete Part A of the online application and submit. The L&F Board will review all applications

People must apply by December 15, 2020, to be eligible.

This level of relief is made possible by a grant from the State of Montana through CARES Act funding.
