music helping humanity

Hello Lost & Foundation Friends!

We are once again using this newsletter – and future newsletters – as a means of keeping in touch with all of you. We want to let you know what's going on with Lost & Foundation, and what's coming up. We hope we can continue to call on you to help as we continue with our mission: music helping humanity.

Terina Williams Benefit

Our last benefit event was October 23, 2011, for Terina Williams of Little t's Soup and Sandwich Shop. Thanks to you, we raised over \$7,000 to help Terina deal with cervical cancer. At last report, Terina is doing well and is hard at work in her deli.

It was great to see our community come together to help Terina. And, of course, it wouldn't have happened without people like you!

The event took place at Red Lion Colonial Hotel and Martini's Lounge. Thanks to the Red Lion for their generosity. And thanks to all the volunteer musicians and technicians!

Mark your calendars for our next event – April 29!

When Tavi McGregor was 15, she learned she suffers from Ebstein's anomaly, a congenital malformation of the heart. After successful treatment, she has done well for six years. She is now 21.

Recently, complications arose that required quick treatment at the Cleveland Clinic. Because of infection, she was unable to get the entire treatment she needs. She will return to Cleveland for surgery in June.

Luckily, Tavi has insurance. However, this crisis has left her unable to work and facing mounting out-of-pocket medical and travel expenses. She needs our help. The Lost & Foundation Benefit Concert for Tavi McGregor will take place at the Red Lion Colonial Hotel on April 29. We'll stage several musical acts, a silent auction, 50-50 drawings, and other great activities.

Contact India Bauer at 459-3776 to volunteer.
