music helping humanity

Hello Lost & Foundation Friends!

We are once again using this newsletter – and future newsletters – as a means of keeping in touch with all of you. We want to let you know what's going on with Lost & Foundation, and what's coming up. We hope we can continue to call on you to help as we continue with our mission: music helping humanity.

Tavi McGregor Benefit

Our last benefit event was April 29, 2012, for Tavi McGregor. Thanks to you, we raised over \$14,500 to help Tavi deal with a heart disease. At last report, Tavi is doing well and back in college.

It was great to see our community come together to help Tavi. And, of course, it wouldn't have happened without people like you!

The event took place at Red Lion Colonial Hotel and Martini's Lounge. Thanks to the Red Lion for their generosity. And thanks to all the volunteer musicians and technicians!

Mark your calendars for our next event – April 7!

As part of our mission, the Lost & Foundation has given lots of grants to people in need of ... well ... lots of help. Over the last 10 years, the total amount of these grants has come to more than \$27,000.

Our April event will focus on raising money for small grants. We want to recharge our piggy bank so we can keep helping others – paying an overdue hospital bill, helping with the rent when medical expenses overwhelm a family's budget, funding travel expenses, either by air or car, or just helping get the family van in good enough shape to make a trip for medical care. The Lost & Foundation Benefit Concert to Play It Forward will take place at the Red Lion Colonial Hotel on April 7. We'll stage several musical acts, a silent auction, 50-50 drawings, and other great activities

Contact Elizabeth Tobin at 431-3521 to volunteer.
