music helping humanity *for 22 years!*

Hello Lost & Foundation Friends!

We are once again using this newsletter – and future newsletters – as a means of keeping in touch with all of you. We want to let you know what’s going on with Lost & Foundation, and what’s coming up. We hope we can continue to call on you to help as we continue with our mission: **music helping humanity.**

Mark your calendars for our next event – November 5!

GREATER HELENA GIVES

May 4-5, 2017, was Greater Helena Gives, a concerted effort to raise on-line donations. Lost & Foundation took part in the event, run by the Helena Area Community Foundation.

Thanks to generous donors like you, Lost & Foundation raised \$1,065! This was the best year yet, 228% more than last year.

We thank the Helena Area Community Foundation and the many local business sponsors who made this event a success. You and they have helped us help others.

The Lost & Foundation is working to help Michelle “Mickey” Kunnary, who is battling a relapse of her breast cancer.

Mickey was first diagnosed in 2013 at the age of 42. The cancer has now spread to her liver and she will need treatment indefinitely.

After her first bout with cancer, Mickey opened The Survivor’s Boutique on Helena Avenue. This specialty store provides comfort to cancer survivors with specialty products – wigs, head covers, skin care products, etc. – as well as emotional support.

Mickey has insurance, but deductibles and co-pays are high. In addition, she will face expenses traveling every three weeks to Bozeman for treatment.

The Lost & Foundation Benefit Concert for Mickey Kunnary will take place at the Radisson Colonial Hotel Helena on Sunday, November. We’ll stage several musical acts, a silent auction, 50-50 drawings, and other great activities.
