music helping humanity

Hello Lost & Foundation Friends!

We are once again using this newsletter – and future newsletters – as a means of keeping in touch with all of you. We want to let you know what's going on with Lost & Foundation, and what's coming up. We hope we can continue to call on you to help as we continue with our mission: music helping humanity.

Carroll Day Benefit

Our last benefit event was March 6, 2011, for Carroll Ann Day of Golden Girls Antiques. Thanks to you, we raised over \$15,000 to help Carroll cover expenses from a broken hip after slipping on the ice in January. At last report, Carroll is doing well, improving mobility, and back at work.

It was great to see our community come together to help Carroll. And, of course, it wouldn't have happened without people like you!

The event took place at Miller's Crossing and Blackfoot River Brewing, with great help from Karmadillo's. Thanks to all the volunteer musicians and technicians!

Mark your calendars for our next event – October 23!

On May 10, Terina learned she has stage 3 cervical cancer. She has undergone chemotherapy and radiation treatment in Billings and needs to go back for more.

Terina has no medical insurance, and her medical bills have exceeded \$90,000. Her remaining treatment in Billings will cost about \$8,400 each week. In addition, she has travel expenses while also trying to maintain her home in Helena.

In spite of her illness, Terina recently opened Little t's Soup & Sandwich Shop in the Capital Hill Mall. With her new business up and running, she hopes to obtain insurance soon. In the meantime, she needs our help. The Lost & Foundation Benefit Concert for Terina Williams will take place at the Red Lion Colonial Hotel on October 23. We'll stage several musical acts, a silent auction, 50-50 drawings, and other great activities. Contact India Bauer at 459-3776 to volunteer.
